2 Decision and approval

This course is established by School of DSN, Humanities 2013-02-06. The course syllabus was revised by School of DSN, Humanities and applies from 2013-02-06.

3 Objectives

The course is aimed at international students wanting to improve their oral and written skills in English. The aim is to improve the student's ability to use the English language when studying, regardless of subject.

4 Content

The goal of the course is to improve language proficiency and to increase students' awareness of formal and informal English. The course also consists of written and oral exercises to increase students' ability to produce text.

5 Aims and learning outcomes

After completion of the course the students will:

- be able to produce texts in English
- be able to express themselves grammatically correct in English, both in speech and in writing
- have an extended general vocabulary

6 Generic skills

The following general skills are practised in the course:

- ability to adapt the level of language – both in speech and in writing - to an academic level

7 Learning and teaching

The following parts are included in the course: lectures, written and oral exercises (also a basis for grading), and peer reviewing. The teaching language is English.

8 Assessment and grading
