

# LÄRARLÄRDOM

## PROGRAM LÄRARLÄRDOM

Thursday, August 18

### INFORMATION AND ZOOM LABEL

#### HYBRID FORM

The majority of the presentations may be followed on both campus and via Zoom. The program shows which presentations are available via Zoom.

#### TWO PDF DOCUMENTS are all that is needed!

To get through the conference, you only need to have two documents on hand on your computer or tablet; This program and the list of abstracts with its texts.

#### LANGUAGE

The language of the presentation is stated in the information about the session and in the abstract.

#### ABSTRACTS

The abstracts are collected in a common PDF document. Each abstract has a serial number that is also in the program below.

#### ROOM HOSTS

Each session has a room host. The room host presents the presenters, hands out the floor during discussions and makes sure that the session ends on time.

### INFORMATION FOR ZOOM PARTICIPANTS

For each session there is a link that leads you to the correct Zoom room. When you want to change Zoom rooms, you first log out of the current Zoom room before. You click on the link to the new room you are entering.

**MICROPHONE**

The microphone should always be off when presenters speak and when you do not speak

**CAMERA**

We would like you to show who you are by having the camera turned on during the conference, it will be nicer for everyone. When asking questions to the presenters, the camera should be turned on.

**YOUR NAME AND UNIVERSITY**

Right-click on your own name and state your first and last name as well as your university when you enter the session.

**QUESTIONS TO THE PRESENTER**

Ask your questions in the chat directly to the room host – s/he will pose the questions to the presenter if time allows it.

## SESSIONS AND TIME TABLE

### **8.30 Registration outside J1630 and opening of the [Zoom Room](#)**

From half past eight you can log in to the Zoom room where the conference starts.

### **8.50 The conference opens**

Ten minutes to nine, the conference opens with a few words of welcome by Jürgen Börstler, information about the program and some practical questions.
