## Teaching experience

\* Linnaeus University, \*\* BTH, \*\*\* Lund University

### University:

In total around 16.000 hours teaching

Mathematical economics	Beginner, Intermediate, Ph.D. *, ***
Microeconomics	Beginner, advanced intermediate*, **
Macroeconomics	Beginner, advanced intermediate, *, **
Managerial economics	Ph.D, *
Competition analysis	Intermediate, **
Labour economics	Intermediate, Ph.D., *
Econometrics	Intermediate, *, **
Statistics	Beginner, *
Transport economics	Intermediate, *
Industrial organization	Beginner, Intermediate*, ** and Thammasat University,
International economics	Intermediate*, **
Production economics	Master, PhD, ** and Thammasat University.
Globalisation and firms	Intermediate**

### External

Basic Economics	Swedbank (executive training, 10 weeks x 8 groups)
Econometrics	Swedish national audit office ( 1 week)
Quantitative performance audit & policy evaluation	AFRO-SAIE (English speaking countries in Africa) Uganda, South Africa, Ecuador (all 1 week)
Policy Evaluation	The Swedish board of agriculture

Production economics

Norwegian national audit office, European audit offices

## **External board positions (Industry)**

- Guitar Tech Sweden AB, 2021-
- Svets och Robotteknik i Växjö, Welding equipment, 2013–2019
- Andon Robotic, Welding systems, 2014–2019
- Nordic Business Institute, Education and investigations, 1996 – 1998

## **International experiences**

Guest researcher: WZB Berlin, Germany, University of Antwerp, Belgium, Erasmus University, Rotterdam, Netherlands, Thammasat University, Bangkok, Thailand, John Moore University, Liverpool, UK, Queensland University of Technology, Brisbane, Australia.

Special assignments: ICEX (Spain chamber of commerce), Madrid,

Training assignments: Ministry of Finance, Ecuador; Office of the Audit general Uganda, AfroSAI-E (English speaking audit offices in Africa); South Africa, Zambia, Uganda

Co-founder and member of Thammasat Centre for Efficiency and productivity Analysis

## **PhD Supervision**

1. Joel Carlsson, (co supervisor), *Issues of Complex Hierarchical Data and Multilevel Analysis: Applications in Empirical Economics*, 2012
2. Pontus Mattsson (main supervisor), *Productivity efficiency and impact of policy*, October 2018
3. Shujun Wang (main supervisor), *Platform economies – mobile apps*, October 27, 2022 (planned)
